Re: NPDES Permit Number MO-0004812  
Request for 316 (a) Variance  
Ameren Missouri's Labadie Energy Center

Dear Mr. Wieberg:

In accordance with the terms of NPDES Permit Number MO-0004812 for the Ameren Missouri Labadie Energy Center, we are herein submitting a 2<sup>nd</sup> draft request for MDNR's input for reissuance of the 316(a) variance. Enclosed are multiple reports substantiating this request, as well as a Comment-Response document from the previous draft submittal.

Please do not hesitate to contact me at 314-554-2955 if you have any questions or comments. We would be happy to provide an overview presentation to your staff at any time, and look forward to a meeting in the near future to discuss MDNR's comments prior to the final 316(a) variance request submittal.

Sincerely,
